**Nearby Community Centers Offer a Variety of Programs**

**Centrally located in the city, Hyde Park is within a few miles of several community centers operated by the Kansas City Parks & Recreation Department.** The Westport Roanoke Community Center has a large gymnasium, workout equipment, computer lab, and a pottery studio. Ongoing classes include yoga, dog obedience, and Golden Age Club, one of the original senior groups in the area.

Brush Creek Community Center features a seasonal outdoor pool with zero depth entry and lap lanes, computer lab, gymnasium, and meeting rooms. Programs there are focused on teens and seniors, including Chair Aerobics and Club KC, held every Friday and Saturday night during the summer for high school students to enjoy dancing, basketball and other activities in a supervised space.

Gregg/Klice Community Center offers an indoor pool, hot tub & steam room, fitness center, gymnasium, boxing room, dance studio, playground, and sprayground. Ongoing programs include swim lessons, Bodyfit, water aerobics, boxing, Silver Sneakers, and bridge club. Tony Aguirre Community Center has a gymnasium, indoor pool, and workout area. Programs there include summer camp, swim lessons, lifeguard training, and Aquaspin Fitness. Many community centers also offer room rentals for birthdays, graduation parties and other occasions.

Day passes at community centers are free for youth under 17, \$5 for adults, and \$3 for seniors 60+. Monthly and annual passes are also available. Pool passes at Brush Creek Pool are \$3; or buy a 6-visit pass for \$12, or season pass valid at any major KC Parks pool for \$25. Open swim at Gregg Klice and Tony Aguirre indoor pools is \$2/day for youth, \$4 for adults, \$3 for seniors, or \$15/month. Ask for group rates.

KC Parks is offering 10 weeks of summer camps for children ages 6-13 at Westport Roanoke, Gregg/Klice, and Tony Aguirre for \$80/week. Swim lessons are available at Brush Creek, Gregg/Klice, and Tony Aguirre. Level 1 & 2 lessons are free! Find more info in the 2018 Spring & Summer Fun Guide at [kcparks.org/spring-summer-guide](http://kcparks.org/spring-summer-guide). Call or visit each center to get more information and register for programs.

**Block Parties are a Great Way to Get to Know Your Neighbors**

**At the March neighborhood meeting, North Hyde Park Rep Chad Moore shared information and ideas for hosting block parties.** Planning a block party with your neighbors helps you get to know the people living on your street, and a well-connected street makes for a safer neighborhood. Some Hyde Park blocks host annual parties, some invite neighbors from surrounding streets, and others keep things smaller by inviting just the neighbors on their block. If you're interested planning a block party for your street, permit applications are available online at [kcmo.gov/publicworks/permits](http://kcmo.gov/publicworks/permits). Applications must include the signatures of at least 60% of your block and should be submitted one month prior to the event. The HPNA Social Committee has put together some tips and other helpful information to get you started.

Visit the HPNA Blog at [hydeparkkc.org/block-party/](http://hydeparkkc.org/block-party/) to find out more, or you can contact Chad Moore at [northrep@hydeparkkc.org](mailto:northrep@hydeparkkc.org) if you need more guidance in planning your event.

**2018  
HYDE PARK  
HOMES TOUR**

**Save the Date!**  
Hyde Park Homes Tour  
will be October 6th!

The Homes Tour Committee is seeking more houses in North Hyde Park and South Hyde Park to feature on this year's tour. We would love to feature homes from all areas of Hyde Park, and we need your help to find them! We have such beautiful homes and so much to share about our neighborhood. If you have a home you would recommend for the tour, or are interested in sharing your home, please contact Derek Moore at [1stvp@hydeparkkc.org](mailto:1stvp@hydeparkkc.org).

Watch for more information on the tour soon!

One of this year's featured homes will be Karla Olmedo-Karlsson's 1908 home at 3820 Campbell. The architect was S.R. Frink, who also designed 3857 and 3869 Charlotte. It is described in the National Register nomination as a modified Gothic Revival house.

## 14th Annual Troost Avenue Festival to be held May 19th

**Troost Fest is just around the corner!** Held annually in the 3100 block of Troost, this event was designed to recognize and celebrate the diverse creative energies of Troost Avenue, to change the image of Troost Ave to a place of meeting instead of one of division and fear, and to prompt residents of the community to join in lifelong learning. Friends and neighbors are invited to the day-long event that will take place Saturday, May 19th from 11am-8pm, with children's activities running until 5pm. You'll enjoy performances by many different artists and groups, as well as booths on varied topics including art, education, environment, justice, health, and spirituality.

## TDD Ballots Due June 12th

**Many Hyde Parkers live in the Main Street Rail Transportation Development District (TDD) for streetcar extension.**

For most of Hyde park, the district line is the middle of Campbell street, and for those living south of 45th Street, the district line is in the middle of Harrison Street. Those living on the east side of these streets are not included in the district. To vote in the third and final election to activate the Main Street Rail TDD, you must live in the TDD and have requested your ballot by April 3rd. Ballots will be mailed to voters at the beginning of May, and must be returned by June 12th at 5pm. All mail-in ballots must be notarized. Ballots are notarized free of charge by any Public Notary.

The Main Street extension would run from Union Station to the vicinity of the University of Missouri-Kansas City at approximately 51st and Main Street. This election would allow the TDD to impose revenue sources that would generate local funding to support the Main Street extension of the KC Streetcar. The TDD's revenue sources would not be collected until the extension is ready to begin construction, though they are being authorized now to meet federal funding application requirements. This and other information on the streetcar extension is available at [kcstreetcar.org/streetcar-election](http://kcstreetcar.org/streetcar-election).

Voters are encouraged to read the ballot language, which is also available through this site. **Inquiries can be made to Jan Marcason, the Chair of the TDD, at 816-213-2420.**

## Recycling: Here are Some Helpful Options!

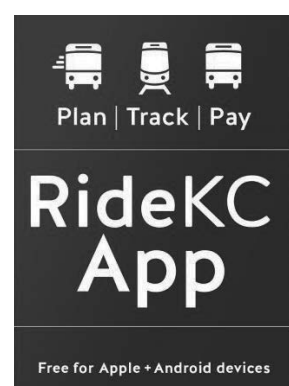

PLEASE RECYCLE

**Weekly curbside recycling is provided by the city, but not everything recyclable is accepted.** Fortunately, there are options for residents who want to do more. Ripple Glass offers free glass recycling at purple bins throughout the city. Some of their closest locations include parking lots outside Home Depot and Sun Fresh. The city's 3 recycling drop-off centers also accept glass. For those able to pay a monthly fee, neighbors can have glass picked up curbside by Glass Bandit or Atlas Glass. Compost Collective KC is another curbside option, for those interested in having household compost picked up for a fee. **For more info on where to recycle and what can be put in our weekly pickup, visit [Bridging the Gap at buff.ly/2t0mZks](http://buff.ly/2t0mZks).**

## RideKC App

**RideKC has launched a mobile app that allows riders to pay fares using a credit card, track buses and streetcars, and plan your trip.** Using the free RideKC app, riders no longer need to carry exact change, or keep track of passes, transfers & change cards. The app is available for Android and iOS smartphones, and accepts

VISA, Mastercard, and Discover. The app can be used on any fixed route offered from RideKC including those in Kansas City, Johnson County, Wyandotte County, and Independence. For more info: [ridekc.org/fares/mobile-payment-app](http://ridekc.org/fares/mobile-payment-app).

## Swim Lessons

**Summer is coming and that's a great time to take swimming lessons!** Kansas City and the surrounding metro have many outdoor and indoor pools where children and adults can learn to swim. KC Parks & Rec offers free Level 1 & 2 lessons. Some popular pools for lessons include those below. Pools listed are in Kansas City, Missouri, unless otherwise noted.

### Outdoor Pools:

- **Swope Park Pool** - \$35-\$40/session, free for level 1 & 2
- **Brush Creek Pool** - \$35-\$40/session, free for level 1 & 2
- **Fairway Pool in Fairway, KS** - \$43-48/session

### Indoor Pools:

- **Southeast Community Center** - \$35-\$40/session, free for level 1 & 2
- **Gregg/Klice Community Center** - \$35-\$40/session, free for level 1 & 2
- **Cleaver Family YMCA** - \$50-\$105/session
- **Linwood YMCA/James B. Nutter Community Center** - \$55-\$75/session
- **Sylvester J. Powell in Mission, KS** - \$20-\$55/session
