A beautification committee is considering plans for the small plots of parkland throughout the neighborhood. Monthly "dumpster days" will occur in the summer. And we will be holding more membership socials. For those who haven't already renewed their memberships, you may do so at the best neighborhood website in Kansas City - hydeparkkc.org!

Missouri State Senator Jason Holsman Resigns

District 7 State Senator Holsman has resigned from his position after appointment by Governor Mike Parson to the Missouri Public Service Commission, which is charged with regulating electric, steam, natural gas, water and sewer and telephone companies in Missouri. This leaves 180,000 residents from District 7 unrepresented in the state senate. District 7 includes Hyde Park, Kansas City neighborhoods between Troost and State Line, as well as neighborhoods south of I-470, and Grandview. The typical process for filling vacancies in the Missouri State Senate requires the governor to call for a special election. The general election will be held on November 3, 2020.

Crisis Intervention Team helps improve KCPD interactions

If you find yourself in a situation where you need to call law enforcement to intervene with a person experiencing a mental health crisis, you can request a Crisis Intervention Team (CIT) Officer when you call. CIT training is designed to educate and prepare police officers who come into contact with people with mental illnesses to recognize the signs and symptoms of these illnesses and to respond effectively and appropriately to individuals in crisis. The trained CIT officer is skilled at de-escalating crises involving people with mental illness, while bringing an element of understanding and compassion to these difficult situations.

CIT Officers help prevent the inappropriate restraint, incarceration, and stigmatization of persons with mental illness, injury to family members and officers, and can link individuals with mental illness and their families to appropriate treatment and resources in the community.

Visit kcmo.gov/police/crisis-intervention-team-cit for more information about this program.

Some of the benefits of CIT:

- Decrease in arrest rates and reported injuries for persons with mental illness.
- Officer injury rates during crisis events decline.
- Under-served consumers are identified by officers and provided with care.
- Officers are better trained and educated in verbal de-escalation techniques
